"I am very happy with DataSelf Analytics. Once we integrate our legacy billing system and 2nd ERP system we'll be able to take control of our data as never before."

(Lou Cherniss, CFO, Calaveras Telephone Company.)

"I've been putting together sales reps' territories dashboards. Our CFO was looking for something today and after losing two hours trying to get it out of our accounting package she had the data in minutes with DataSelf BI. She was thrilled!"

(Leslie Hull, VP - Sales & Marketing, ATRO Engineered Systems, Inc.)
